**FINAL JUDGMENT AND PERMANENT

1
2 On July 22, 2010, Plaintiff Apple Inc. ("Apple") filed suit against Defendant
3 CrazyonDigital, Inc. ("Defendant") alleging infringement of Apple's intellectual property (the
4 "Action"). Defendant has not responded to Apple's complaint. Apple and Defendant (collectively,
5 the "Parties") have agreed to settle the claims asserted in the Complaint as well as additional claims
6 as set forth herein. In accordance with the terms of the Parties' Settlement Agreement entered into
7 contemporaneously herewith, the Parties hereby agree to entry of a Final Judgment and Permanent
8 Injunction Upon Consent ("Final Judgment") as set forth herein, and further agree and stipulate that,
9 upon confirmation by this Court, it is hereby ordered, adjudged, and decreed that:

10 1. All terms defined in this Final Judgment shall be so defined when used
11 anywhere in this Final Judgment. Additionally, as used in this Final Judgment, the following
12 capitalized terms shall have the meanings set forth below:

13 a. "Person" means any individual, partnership, association, corporation,
14 limited liability company, trust, or any other form of legal entity.

15 b. "Control" means, with respect to any Person, the ability to control,
16 manage, direct or otherwise materially influence the management, direction, operations or policies of
17 such Person, whether by ownership of voting securities, by contract or otherwise.

18 c. "Copyrights" means Apple's copyrighted works, including but not
19 limited to image of sky, mountains, and water that has commonly been used in Apple advertising
20 materials and as a background image on Apple's iPad products.

21 d. "Defendant" means CrazyonDigital, Inc. and each of its predecessors,
22 successors, assigns, affiliates, members, officers, managers, agents, servants, employees, attorneys,
23 representatives, or any Person who had or has Control of Defendant, is controlled by Defendant, or
24 is under common control with Defendant, and all other Persons in active concert or participation
25 with any of them.
26
27
28

e. "Patents" means U.S. Patent Nos. 7,627,343; 7,305,506; 7,587,540; 7,590,783; 7,529,870; D588,545; D596,621; D578,110; D589,491; D515,070; D478,310; and D567,800.

f. "Trademarks" means Apple's APPLE, IPAD, IPOD and IPHONE marks and all other Apple trademarks listed on the "Apple Trademark List" at <http://www.apple.com/legal/trademark/appletmlist.html>.

JUDGMENT

2. This Court has jurisdiction over Defendant and the subject matter of this Action and Final Judgment. Venue is proper in this Court.

3. Apple is the owner of the Patents, Copyrights and Trademarks, which are valid, enforceable, and infringed by Defendant.

4. In full settlement of all claims raised in this Action, the Parties have entered into a Settlement Agreement made effective as of January XX, 2011 (the "Settlement Agreement"). This Judgment is subject to the terms set forth in the Settlement Agreement.

5. Defendant now stipulates and agrees that judgment may be entered in Apple's favor for all products made, used, sold, offered for sale, or imported into the United States by Defendant that infringe the Patents, Copyrights, and Trademarks, including but not limited to all of Defendant's products that were identified in Apple's Complaint in the Action. Defendant shall permanently cease and desist from any further infringement of the Patents, Copyrights, and Trademarks.

6. The Parties waive any right to appeal this Final Judgment.

7. The Parties shall each bear their own fees and costs in this Action.

8. The Court will retain continuing jurisdiction for purposes of interpreting and enforcing this Final Judgment and all disputes that may arise relating to the Settlement Agreement.

9. The Clerk shall enter this Final Judgment pursuant to Rule 58 of the Federal Rules of Civil Procedure.
